## History of Park Foot

Park Foot has a long established history within the community of Pooley Bridge and Lake Ullswater, dating back five generations to the late 1800's. Originally a working farmstead, the Allen family also ran a Bed and Breakfast, collection guests from Penrith railway station by horse and trap. During the war the B & B opened its doors to Belgian and French evacuees.

After the war life gradually returned to normal and Park Foot Mini-Market opened in the 1950's, offering a wide variety of products to holiday makers. Fresh milk was delivered to each camper by the local milkman who navigated the fields in his van.

In 1964 Park Foot closed its farming business to focus solely on tourism. Over the ensuing years Park Foot has grown and evolved and now offers holiday makers a wide selection of accommodation ranging from Camping and Caravanning fields, Holiday Homes and high quality Self-Catering cottages & houses which sleep between 4 and 10 people.

The Clubhouse is open seasonally. (see opening times enclosed). This is a large, recently renovated Clubhouse providing a restaurant and bar together with a new take away. The restaurant offers a wide variety of high quality home-made food, as does the take-away. Free entertainment, including children's discos and magic shows, as well as arcade games and pool tables, guarantee to keep the family cheerful on rainy days! During the summer school holidays the Clubhouse provides live entertainment and weekly events.

Outdoors, Park Foot has private access to Ullswater directly from one of our camping fields and there is a lovely lakeside foot path into Pooley Bridge. We offer a range of activities to ensure that our holiday makers' days are packed with fun and diversity. There are currently **two adventure playgrounds** for under and over 8's, a **children's outdoor activity club** during the summer season and daily **pony trekking** up onto the fells. A **tennis court**, **table tennis** facilities and a **multi games play area** are provided, and the more adventurous can **hire mountain bikes and e-bikes** from Reception.

The Allen family remain 100% committed to Park Foot, with three generations currently being involved in the development, management and running of the business.

## Things to Do

**Electric & Mountain Bike Hire, Park Foot.** (Book through reception)

(Suggested routes – 1) Roehead to Stone Circle to Howtown and back – about two hours.

2) Road and Fells over Celleron to Helton and back. 3) By Fell to Roe Head, approx. 2 hours.

There are many, many more rides, both on and off road, around the area, of various length and difficulty.

**Ullswater Steamers** – Why not **walk** and **ride** around the lake? for instance, catch the steamer at Pooley Bridge and sail to Howtown, then walk along the footpath home to Park Foot. Currently, you cannot catch the steamer from Howtown, you can only disembark there.

**Bus Rides.** The 508 Bus Route between Penrith and Windermere picks up in Pooley Bridge, outside the Crown Inn. **Why not try an Open-Top Bus Ride?**

**Local Walks from Park Foot** - see our website for suggestions.

**Rheged** – will not be open until early Autumn.

**Golf Driving Range, Redhills**

Scenic **Golf Course** at Penrith. Others nearby at Appleby and Keswick.

**Lowther Castle & Gardens** – Walk through these reclaimed Victoria gardens (child and dog friendly) and perhaps have a picnic. There is also a café here.

**Dalemain Mansion and historic gardens** – The gardens reopen on the 6<sup>th</sup> July, however the house and café remain closed for the foreseeable.
